Shredded top grade virgin corrugated cardboard, suitable animals especially horses, chickens, game chicks and larger dogs. Also makes good mulch and compost. Hygienic, soft, absorbent, low dust and very cheap. Mixes well with woodchip, sawdust etc. Many satisfied customers.

£1.20 + VAT per bale collected
£1.50 + VAT per bale delivered (local)

Fairtide Recycling is based at Fairtide Centre, Lydney, one of nine Adult Opportunity Centres run by Gloucestershire Social Services for people with learning disabilities.

Fairtide Employment Services organises part-time work for Fairtide clients across a range of work settings in the local retail and service sectors in addition to the in-house recycling project. Office paper, virgin cardboard, aluminium cans, and foil recycling provides valued work for about half of Fairtide's clients, as well as benefiting the environment and the local community. Plastic milk bottle recycling started in Jan. 2004.

Samples available. Visitors welcome. Enquiries - ask for Jerry Friar.
